EARLY TERMINATION REQUEST

On August 3, 2021, Angel Garcia appeared before Your Honor and was sentenced to twelve months probation, \$25 special assessment, and \$500 fine for the offense of intentional operation of motor vehicles to create danger to persons. Additionally, Your Honor stated that probation could be terminated early upon completion of all conditions of supervision as recommended by the probation officer.

On April 13, 2022, Garcia fulfilled his court-ordered financial obligations. He has complied with all court-ordered conditions to date and has posed no problem while on supervision.

In light of his favorable adjustment to supervision, it is respectfully recommended that this case be terminated. Should the Court concur with this recommendation, an order terminating probation is attached for the Court's signature.
